UX Projects

Zeel Massage, Researcher and designer

Aug 2017

Created a production ready MVP prototype of the massage therapist app. Added a swipe feature and better streamlined information in a modular form that allowed ease for future iterations.

Etsy Custom, Researcher and designer

July 2017

Designed a clickable prototype that allowed consumers to create a request for a custom item and correspond with the artist before, during, and after the process.

Education

User Experience Design Immersive, General Assembly

May 2017-Aug 2017

Ten weeks, full-time project based course. Dedicated to covering research methods, design principles, prototyping, and team communication.

Bachelor of Studio Art, University of Rochester

Sept 2012-May 2016

This program focused on the contemporary study of various forms of art production, as well as art's place in culture.

Chair's Award was created and granted due to exceptional passion and resolve.

Other Experience

Modern Muses, Solo Artist Exhibition

Sept 2016

Held at the University of Rochester Art and Music Library, this exhibition focused on the relationship between humans and our screens.

University of Rochester, Teacher's Assistant

Sept 2015-Dec 2015

Aided in organization and creation of class plan. Guided class during work periods, as well as during professor absences.
